*I studied on the IELTS course for 5 months at Tayside Language Centre. When I started IELTS preparation for the exam I didn't know anything about it. Thanks to my teacher at TLC I got the necessary knowledge and skills to pass the exam. **Gabi from Bulgaria***

*It was very interesting to talk to several tutors, to discuss different subjects. Now I know a lot about traditions and life in Scotland and the UK. The teacher was very encouraging and enthusiastic and made the course interesting. **Polina from Russia***

*Can I just say that we really enjoyed the classes which proved very useful. Furthermore, can I also say that we really appreciated your friendliness, patience and sense of humour. **Group - English for business.***
